

Club One AZ Volleyball

Thank you for your interest in supporting Club One AZ, a 501(c)(3) non-profit junior volleyball club in Arizona. Since our inception in 2010, we continue to see program growth. Each year we reach 100's of families through our junior girls and boys indoor and beach volleyball training, beach volleyball tournaments, and volleyball clinics for ages 6-18 yrs. Club One AZ has a staff of 70+ certified coaches, many of which have played or coached at the high school and collegiate levels. The unified vision and mission of Club One AZ and its Staff, as noted in our 501(c)(3) application and our website (www.cluboneaz.com) is as follows:

Vision: Leverage the sport of volleyball to develop competitive, service-minded athletes with strong character and a hunger to learn.

Mission: Through our club we strive to build

- Character through the challenges that training and competition provide.
- Systems of education that can be duplicated from one generation to the next.
- Futures for athletes who desire to compete at higher levels.
- Selflessness by nurturing an atmosphere of giving back some of what has been given to you.

To achieve these goals, we endeavor to:

- Provide the highest quality coaching in a challenging but nurturing environment.
- Develop a supportive and participatory relationship with our athletes and parents.
- Partner with organizations that can help us reach our ultimate goals of instilling character, competition, community, and learning.

Values: Excellence | Integrity | Respect | Commitment | Discipline

Your tax-deductible donation will help support the ongoing purpose and “workings” of Club One AZ by allowing us to off-set player fees and facility costs, pay our coaching staff, pursue national tournament participation and recognition, and continue to provide a positive and productive environment for those who choose to join us in our Mission. As one of our parents said:

“As parents, we have watched (our daughter) grow as an athlete and defensive player through the indoor club and beach programs. What has impressed us most is that you get more than a great volleyball experience at Club One - it's a highly competitive, yet caring and fun environment that promotes teamwork, family and values. It's the whole package” - Connie
