

Club One | Next Steps

Congratulations on becoming a Club One Team Member!

There will be a mandatory Parent/Player meeting on **Sunday, November 20th**, and then a couple early practice dates your coach will inform you of before we begin our normal T/Th practice routine on **Tuesday, November 29th**.

Be sure to bookmark your **Team Page** (on our website) which will be updated with specific information including:

- Team Roster
- Team Calendar with practice and tournament schedules
- Player Fee installment payment link
- Team Instagram feed!!

You should have already completed your **Gear Sizing** and picked up your team backpack and practice t-shirts.

Below are **important steps** you must complete to be connected to Club One AZ within the AZ Region membership system, SportsEngine (SE).

Steps to Complete Your Membership:

1. You will receive an emailed “invitation” from SE to accept Club One AZ as your club this season—this will be sent to the **same email address** that you used to register your membership.
2. You must “accept” the invitation in order to be connected to Club One AZ. You might be prompted to click **multiple** “accept” buttons during this process.
3. This will allow Club One AZ to build our team rosters in order to complete entry into all future tournaments, so it is very important to **complete ASAP**.

Welcome to the Club One AZ Family!
